

Welcome to the ChargePoint Driver Experience

We're excited to announce the roll out of our new EV charging stations. Attached, you will find all the information you need to start charging and enjoy this new and improved amenity.

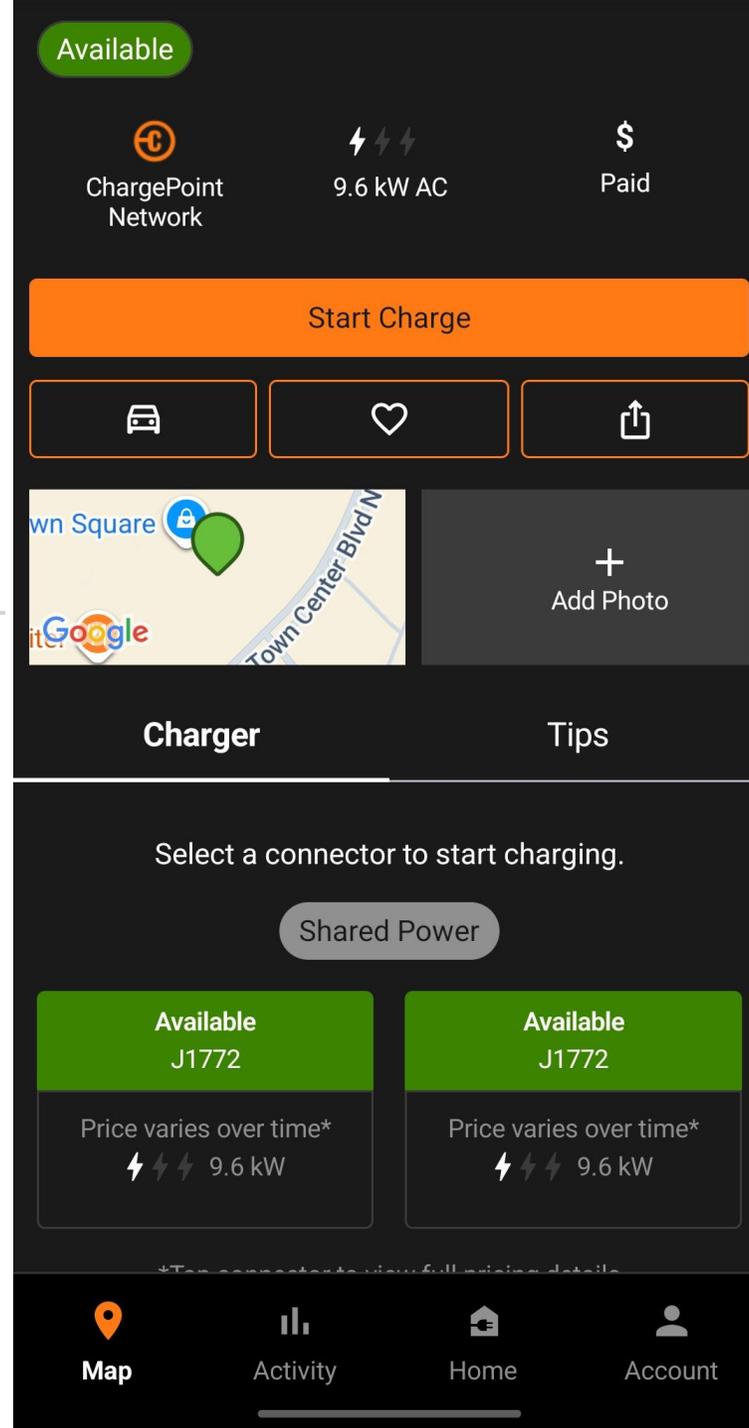

Location & Availability

- Available to all tenants and daily visitors
- Located on Level 3 (facing Main St.)
- Eight (8) total connections
- First come first serve basis
- Reserved for active charging use only

Network & Compatibility

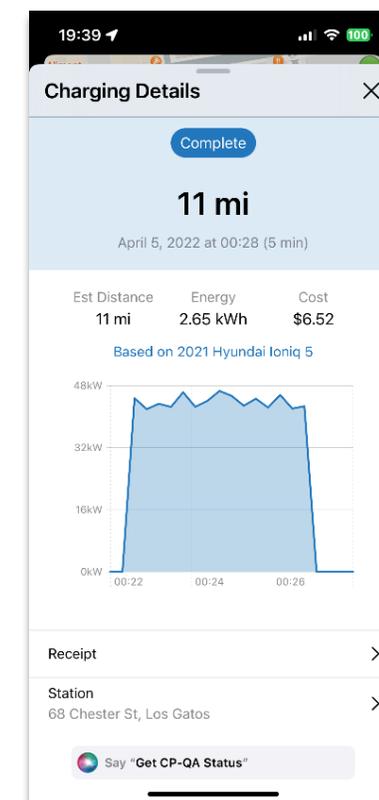

- ChargePoint Level 2 Stations
- Compatible with all EVs that support J1772 connector
- J1772 adapter required for Tesla owners

Connection & Smart Features

- To charge please download the ChargePoint App (available on IOS and Android)
- Simply open the app and tap your phone over the reader symbol or select “Start Charge” to begin your session
- The app will showcase
 - Real-time station availability
 - Charging session monitoring and activity
 - Charging Notifications
 - Touchless Payments

Charging Rates

- \$2/Hr Flat
- No hidden fees or surcharges

****Rates apply while vehicle is connected, regardless if vehicle is actively charging. To avoid overstay fees, please move your vehicle from the charging space once the session is complete.***

Questions?

If you have any questions regarding accessibility, please do not hesitate to contact our parking operator at gs@raffleparking.com or 713.571.0200. Issues can also be reported to our ChargePoint support team using the built in report feature.
